Plan Ahead for a Safe and Pleasant Visit

No Unauthorized Hunting or Trapping

- Consider the length of your hike and the time you have before the Preserve closes at sunset.
- Check the weather and dress accordingly
- Select a hike at the ability level of your group's least experienced member.
- Help prevent plant damage and erosion: Stay on marked trails.
- Help Keep Wildlife Wild! It is important to remember to please treat bears and other wildlife with respect and caution.
 - Bears that lose their natural fear of humans may have to be destroyed.
 - Make your presence known. Talk, sing, clap hands, or call out to alert bears to your presence.
 - Do NOT try to interact with an animal by offering food or approaching it. Allow the animal to go about its regular routine undisturbed.
 - Stay with your gear. Do NOT leave packs, food, or beverages unattended.

Suggested Hike

Located at the site of the former Enderly Family sawmill, Split Rock has long been a favorite place for wading in the Coxing Kill (stream). This trailhead provides access to several popular trails through hemlock groves and the stream.

About Mohonk Preserve

With over 8,000 acres of mountain ridges, forests, fields, streams, ponds, and other unique and beautiful places, Mohonk Preserve is the largest member and visitor-supported nature preserve in New York State.

Our mission is to protect the Shawangunk Mountains region and inspire people to care for, enjoy, and explore their natural world.
