Suggested Hike from the Duck Pond Trailhead

Duck Pond Loop – This hike features beautiful farm fields and majestic views of the Shawangunk Ridge along the route to historic Duck Pond. Duck Pond was created in 1908 as part of the formal entrance to the Mohonk Mountain House. It later served as a breeding ground for bass and rainbow trout. By the 1940s, Duck Pond became a popular stopping point for nature study, hikers and photographers looking for a scenic view.
