Mohonk Preserve 2018 Year in Review

Dear Supporters,

Generous supporters like you make Mohonk Preserve's conservation mission possible. We are deeply grateful for your giving, which has a real impact.

Throughout 2018 the Preserve staff and board, with input from stakeholders, worked on our next Strategic Plan "Vision 2020 and Beyond," creating four Strategic Intentions to:

Foster Conservation – advance land protection, science-based land management, environmental monitoring, and place-based education and interpretation to foster a strong conservation ethic and help mitigate the impacts of climate change; Deepen Connections – emphasize the importance of conservation through recreational, educational, and cultural experiences in nature for our members, visitors and the larger community; Be Inclusive – inform our decisions, policies and programs with the values of diversity, equity and inclusion to be more representative of and welcoming to all people; and Nurture Resilience – balance resources and opportunities, and align capacity so that our excellent staff can succeed and thrive.

An ambitious priority initiative continues to be creating our first new trailhead in 25 years in the Mohonk Preserve Foothills – a gateway to nature that will enable more recreational, citizen science, and educational opportunities for our visitors and members, unite the valley and ridge, and foster accessible experiences on gentle terrain.

People come to the Preserve for many different reasons, but they support one common mission. You are the folks who make it all possible, and we are proud to partner with you as we protect and sustain the Preserve now and for future generations.

Thank you so much!

A Tradition of Giving

Donor Acknowledgments

Mohonk Preserve is grateful to everyone who supports our mission to protect the Shawangunk Mountains region and inspire people to care for, enjoy, and explore their natural world. Their generosity enables us to carry out our important work.

While this list includes private individuals with cumulative contributions of \$1,000 or more received between January 1, 2018 and December 31, 2018, we dedicate this annual Year in Review to each and every one of our supporters.

We have made every attempt to ensure that these listings are accurate. Please let us know if you feel there have been omissions or errors.

Endowment

Protecting the Shawangunk Ridge for future generations requires robust funding that will endure as long as the land itself. A perpetual investment in the Preserve, endowment gifts are carefully invested and thoughtfully managed. A portion of the earnings from investments provide an annual source of income to fund Preserve operations. These named endowments permanently recognize an individual's or family's deep commitment to the Preserve:

Keroden Endowed Fund

Lisa and David Endowment

Philip Allan Carlson Education Endowment

Jim and Mary Ottaway Endowment

Vincent R. Clephas Endowment

Salt Family Endowment

The Sean E. Davis Endowment Fund

Matthew Bender IV Endowment

Ruth Eileen and LeRoy M. Westberg

Dr. Craig R. Hibben

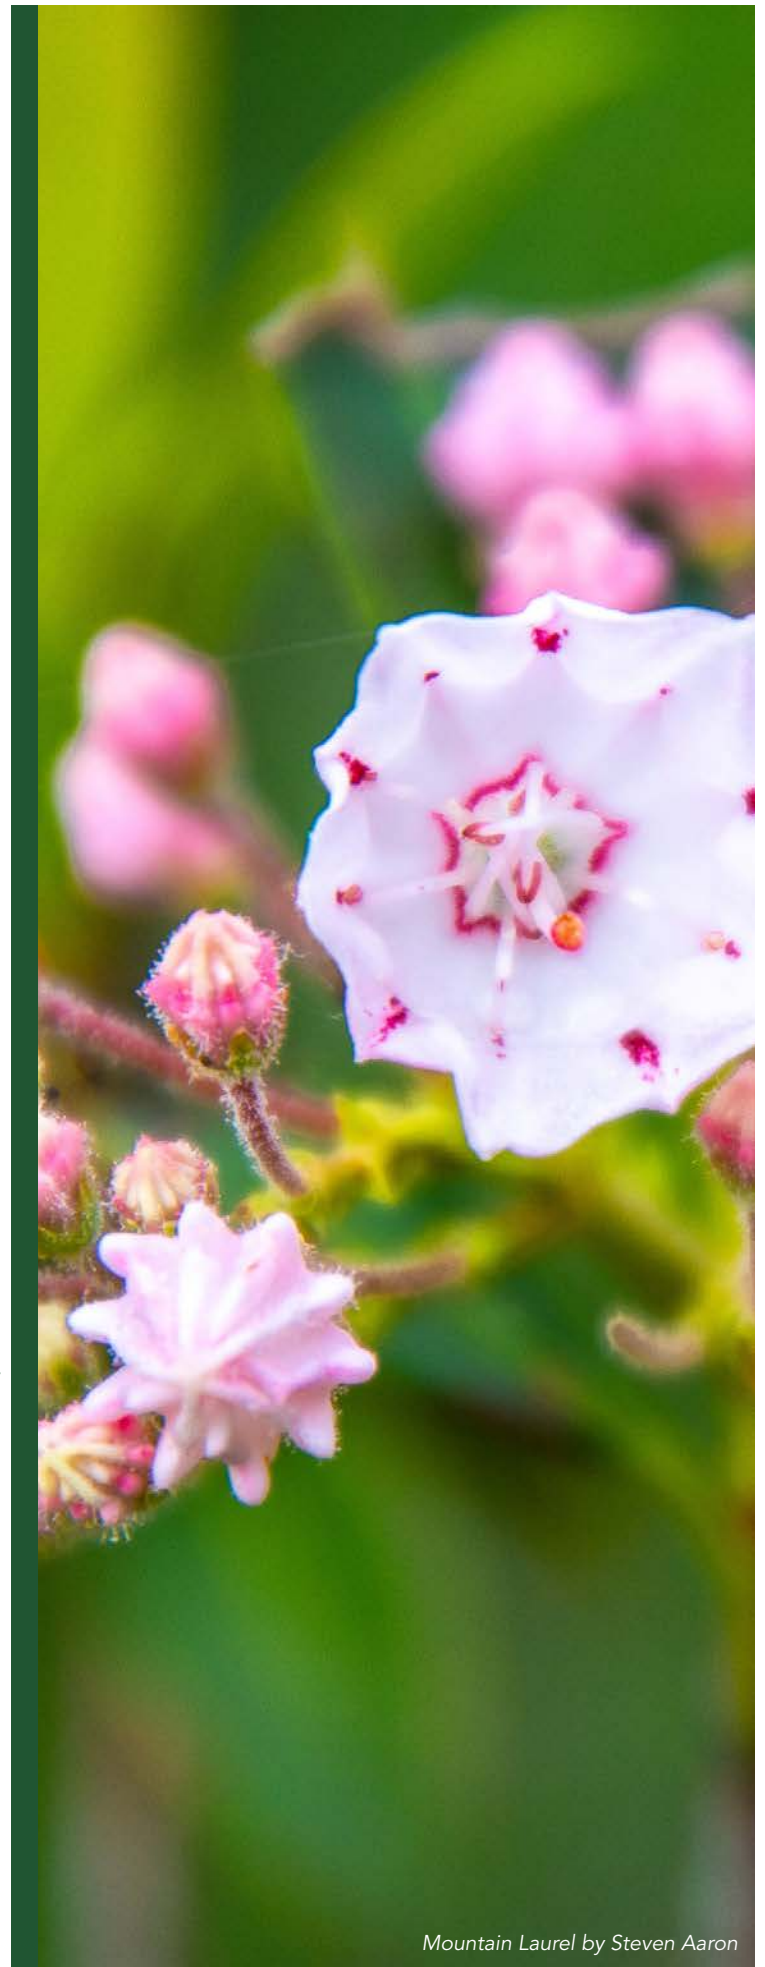

Jane N. Meckling

The Estate of Lyman Spitzer, Jr.

This generosity reflects their deep and lasting commitment to the future of conservation in the Shawangunk Region.
