Mohonk Preserve Hosts 2024 Healthy Ulster Pass Program

Free passes help connect neighbors to nature

GARDINER, N.Y., March 25, 2024 – Mohonk Preserve invites Ulster County neighbors to visit the Preserve and receive a free one-month pass during the Healthy Ulster Pass Program distribution **Friday, April 5 through Sunday, April 7**. Healthy Ulster is made possible through generous support from **Ulster Savings Charitable Foundation**.

Visitors with proof of Ulster County residency may obtain their passes at the Preserve's Visitor Center on Rte. 44/55 in Gardiner, the Testimonial Gateway Trailhead on Rte. 299 in New Paltz, or the Spring Farm Trailhead off Mohonk Road in High Falls from **9 a.m. to 6 p.m. from Friday, April 5 to Sunday, April 7**.

One adult must pick up passes in person for a maximum of four passes per household. **The passes will be valid until May 12**. Passes are limited and available while supplies last. Children 15 and under are always free with an accompanying adult passholder and do not require a separate pass.

This marks the 14th year the Preserve has offered its Healthy Ulster Pass program. The Preserve has distributed over 54,000 free one-month passes to Ulster County residents during the organization's annual Healthy Ulster events.
