≈13.3 Miles

Turn-by-turn:

Skytop is the highlight of leg 2. Participants will begin at Lower Duck Pond Road to go uphill on Lenape Lane. They will turn onto Kleinekill Farm Road and follow Upper Duck Road uphill, cross Oakwood Drive, and turn left onto Kleinekill Road. Next, they will turn left onto Forest Drive. The route will leave the carriage road for a short single-track trail. It will be well marked like the rest of the course. After 0.1 mile, participants will exit the trail and turn right onto Forest Drive. Participants will turn onto Lake Shore Road and pass Mohonk Lake near the Mohonk Mountain House. The course continues onto Huguenot Drive and Skytop Road to the iconic Skytop Tower. From there, participants retrace their steps to Huegonot Drive and turn right to Hemlock Lane, crossing Garden Road to N. Lookout Road. The course continues on N. Lookout Road to Mossy Brook Road before turning downhill to Cedar Drive. It follows Cedar Drive toward Spring Farm. Next, participants cross Mohonk Road on the Cedar Drive Bridge, turn uphill on Spring Farm Road, take Bonticou Road for views of the Bonticou Crag, and turn on Cedar Drive to decline steeply before continuing onto Cedar Drive Loop and turning downhill onto Spring Farm Road.

Participants finish this leg at Slingerland Pavilion, a large cedar pavilion with outstanding views of the Catskill Mountains. This major aid station will serve as the bag drop location.
